

# ***48<sup>th</sup> Annual Mountain Festival & Car Show***

## **Sponsor Form**

**The 48<sup>th</sup> Annual Mountain Fest will be held at Sabillasville Environmental School on Saturday, October 12 and Sunday, October 13, 2024.** The Northwestern Frederick County Civic Association Inc. has established its roots deep within the Frederick County community. Sabillasville Environmental School PTO continues the NWFCCA tradition and allows their seed to flourish. We appreciate the community's continued support in the event with donations to help with funding. All proceeds from the event will continue to benefit the community by funding all aspects of SES students' education, including field trips, cultural arts, clubs, and many other special events. In addition to supporting SES, the PTO also provides scholarships to two graduating seniors from Frederick County.
